Forecast For East of England
Issued by Met Office Exeter
at 1600 on Friday 03 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Generally cloudy, but some sunshine for most tomorrow.

This Evening and Tonight:
Cloud will push westwards again across the region through the evening and overnight, with this likely to be thickest along the Norfolk coast where there is a low risk of drizzle. Minimum temperature 13 deg C (55 deg F).

Saturday:
A cloudy start once again on Saturday. Cloud tending to thin and break through the morning, with some bright or sunny spells developing by the afternoon and early evening. Maximum temperature 21 deg C (70 deg F).

Outlook for Sunday to Tuesday:
Fine and dry Sunday, but turning breezier through the afternoon. Likely to be bright with warm sunny spells on Monday. Periods of warm sunshine on Tuesday.
